Following the exempt entry deadline, June 17, 2020 @ 5:00 PM, available spots in the field have been filled. Reflective above is the waitlist following the addition of said teams.

From today's date until the start of the championship, there are likely to be withdrawals resulting in waitlisted players being added to the field, however we cannot speculate on the likelihood of a spot become available for a specific team. The above wait list indicates the order in which the wait list priority has been established – please be advised that the Texas Golf Association will re-circulate this list each Thursday leading up to the championship to give players a regular update on their status ahead of the championship. **The next update will be circulated on July 2<sup>nd</sup>.**

Thank you for your patience as we established the championship field, we look forward to providing additional updates to you as outlined above. Full information on the Texas Father-Son can be viewed online, [here](#).
