

Championship Information for Players

Updated March 9, 2021

Summary of Changes

Face coverings are strongly recommended any time safe distancing cannot be practiced. This includes indoors, when sharing a cart, in starting and scoring areas.

Vaccinations

The TGA will **not** require participants (players, caddies, staff, volunteers, spectators) to be vaccinated in order to participate. Additionally, **all COVID guidelines will apply to all participants regardless of vaccination status.**

Self-Screening

All players and caddies (if applicable) **MUST** complete a COVID-19 assessment questionnaire prior to the first round of the event (practice round or stipulated round). Participants must acknowledge that they will notify event staff of any changes to their assessment responses during the event. Any player or caddie (if applicable) that has experienced symptoms or has been exposed to COVID-19 will not be allowed to participate and will receive a full refund.

Please stay at home if you have had contact with a suspected or known COVID-19 patient, if you do not feel well, and/or display any of the following new or worsening signs or symptoms.

- Feeling feverish or a measured temperature greater than 100.3 degrees Fahrenheit.
- Cough
- Shortness of breath or difficulty breathing
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- Loss of taste or smell
- Diarrhea
- Known close contact with a person who is lab confirmed to have COVID-19

Please note that public health guidance cannot anticipate every unique situation. Individuals should stay informed and take actions based on common sense and wise judgement that will protect health and support economic revitalization.

All players and caddies (if applicable) **MUST** complete a COVID assessment questionnaire prior to each stipulated round. Any player or caddie (if applicable) that has experienced symptoms or has been exposed to COVID-19 will not be allowed to participate and will receive a full refund.

Guidelines for Play

Carts

Players

- Cart availability will be determined for each event based on Championship guidelines, cart availability and club policies.
- All carts will be sanitized before use.
- The TGA will follow the cart policy in place at the host club. If shared carts are allowed by the club, event participants will be required to share carts.
- Where shared carts are utilized, players are strongly encouraged to wear a mask while riding with someone who is not in their household.
- For events utilizing shared carts, only players may ride. Caddies may not ride.

Spectators

Spectator carts are not available for TGA events.

ADA Medical Carts

- Requests for golf carts must be supported by complete documentation and submitted at least 48 hours in advance.
- Requests must include the completed Cart Request Form and the required accompanying medical documentation specified in that form for all first-time requests.
- Any medical cart request that is granted will be good for that individual for the remainder of that calendar season, however, a Medical Cart must be requested in advance for each event.
- A request will not be deemed complete until all required information and documentation has been provided.

Player Supplies

Bottled Water

Proper hydration for players, staff, and volunteers is a key element of TGA safety procedures for championships.

- The TGA will provide bottled water at multiple locations on the golf course.
- Each water station will include hand sanitizer and gloves. Anyone collecting bottled water is encouraged to use gloves to open the cooler and remove water. Players are encouraged to sanitize hands multiple times during the round including when collecting water.
