## **USGA PACE OF PLAY POLICY**

### **Summary**

When a group is out of position at any check-point the players in the group are subject to penalty under the USGA Pace of Play Policy. Players in a group that has missed one or more check-points will be subject to penalty according to the following schedule of penalties pending final determination of whether a breach or breaches of this policy have occurred:

Check-points will be on completion (flagstick in the hole) of the 9<sup>th</sup> and 17<sup>th</sup> holes.

1<sup>st</sup> missed check-point – subject to one (1) penalty stroke

2<sup>nd</sup> missed check-point – subject to additional two (2) penalty strokes; total of three (3) penalty strokes for the round

### **Maximum Allowable Time**

Play is in groups of three (3). Each group is allotted 2 hours and 19 minutes to complete holes 1 through 9 and 2 hours and 16 minutes to complete holes 10 through 18, plus a turn time (2 minutes for 9 to 10 ) at a pace in accordance with the time chart below. When a group falls behind – regardless of reason – it must regain its position. Time for ball searches, rulings and walking or shuttle time between holes is included in the allotted time.

### **Definition of “Out of Position” – Stroke Play**

First Group: The first group (off the 1<sup>st</sup> hole) is out of position if they take more than the allotted time to finish a check-point hole; see below check-point time table.

Following Groups: A following group is out of position if they:

- a) take more than the allotted time to finish a check-point hole; and
- b) complete play of a check-point hole more than 14 minutes after the preceding group completed play of that hole.

Time charts outlining the time per hole, including the finish times for the check-point holes are below.

Check-points: Play of the hole must be completed in the following amount of time, groups of three (3):

<b>Check-points:</b>	<b>1<sup>st</sup> / 2<sup>nd</sup></b>
Hole 1 Start	2:17 / 4:20 total

### **Group Out of Position**

When a group is out of position at a check-point, they will be notified by a member of the Rules Committee. When a group has been notified of a missed check-point, that group is expected to regain its position before reaching the next check-point. If that group reaches the next check-point out of position, each player in the group may incur the applicable penalty for a breach of this policy. Any group that is out of position may be monitored by a member of the Rules Committee.

A player concerned about a non-responsive (slow) player in their group, who is delaying play, may request a Rules Committee member to monitor the group in case the group is or becomes liable to penalty under these guidelines.

### **Final Determination Regarding Break and Review Process**

Before returning their scorecard, a player who is subject to penalty during their round may consult with the Rules Committee to determine if they have incurred a penalty under this policy. The Rules Committee will determine that a player who has been found to be out of position is not in breach of this policy only if:

- a) the player was delayed by the Rules Committee; or
- b) the player was delayed by a circumstance beyond the control of the player of their group; or
- c) the player was delayed by another player in the group.

A player who was out of position during their round and who elects not to consult with the Rules Committee to determine whether they were in breach of this policy is deemed to be in breach of this policy and incurs a penalty or penalties according to the above schedule of penalties. If a player or group incurs a penalty or penalties, they are applied to the check-point hole(s) where the breach occurred.

## EVACUATION PLAN: STOPPING AND RESUMING PLAY

### Stopping and Resuming Play

An immediate suspension will be signaled by one prolonged airhorn note. All other types of suspension will be signaled by three consecutive airhorn notes. Resumption of play will be signaled by two short airhorn notes.

- **Normal Suspension (Darkness or Unplayable Course Conditions):** Three consecutive airhorn notes. If all players in the group are between two holes, they must stop play and must not make a stroke to begin another hole until the Committee resumes play. If any player in the group has started a hole, the players may choose either stop play or to play out the hole. See Rule 5.7b(2).
- **Resuming Play:** Two short airhorn notes. See Rule 5.7c.

Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule J-1.

### *Penalty for Breach of Rule 5.7b and Rule 5.7c – Disqualification*

# Local Rules and Terms of the Competition

## FOR 2021 USGA CHAMPIONSHIPS

*The Rules of Golf as approved by the United States Golf Association and R&A Rules Limited govern play. These Local Rules and Terms of the Competition are in effect at all USGA championships and qualifying rounds. See applicable championship or qualifying round Notice to Players and Entry Application for modifications or additions to these Local Rules and Terms of the Competition. Complete text of the Rules and Local Rules may be found in the Official Guide to the Rules of Golf, effective January 2019.*

**Unless otherwise noted, the penalty for breach of a Local Rule is the general penalty.**

**Out of Bounds** — Defined by the line between the course-side points of white stakes and fence posts at ground level.

**Penalty Areas** — When a penalty area is defined on only one side, it extends to infinity. When a penalty area is connected to the out-of-bounds edge, the penalty area extends to and coincides with out of bounds.

**Ground Under Repair** — Defined by white lines. French drains are ground under repair. For grass-covered trenching, see Temporary Power Lines and Cables.

Ground under repair may include areas of unusual damage, including areas where spectators or other traffic has combined with wet conditions to affect materially the ground surface, but only when so declared by an authorized member of the Committee. When immediately adjacent to an immovable obstruction, such an area is part of that obstruction.

**Relief from Seams of Cut Turf** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule F-7.

**Immovable Obstructions** — Include plastic bumpers on roads and paths, and mats secured to the ground with spikes when the bumpers or mats cover cables.

**White-Lined Areas Tying Into Artificially Surfaced Roads and Paths** — White-lined areas of ground under repair and the artificially surfaced roads, paths or other identified obstructions that they are connected to are a single abnormal course condition when taking relief under Rule 16.1.

**Wood Chips and Mulch** — Are loose impediments.

**Integral Objects** — Include cables, rods, wires and wrappings when closely attached to trees, and artificial walls and pilings when located in penalty areas or in or adjacent to bunkers, and bunker liners.

An exposed bunker liner may be treated as ground under repair, but interference does not exist if the liner interferes only with the player's stance.

**Temporary Power Lines and Cables** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule F-22.

**Temporary Immovable Obstructions** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule F-23.

**List of Conforming Driver Heads** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule G-1.

**Groove and Punch Mark Specifications** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect, except as modified by the applicable championship Entry Application. Model Local Rule G-2.

**List of Conforming Golf Balls** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule G-3.

**One Ball Rule** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule G-4.

**Broken or Significantly Damaged Club** — Local Rule as prescribed in the Clarifications to the 2019 Rules of Golf is in effect. Model Local Rule G-9.

**Back-On-the-Line Relief** — Local Rule as prescribed in the Clarifications to the 2019 Rules of Golf is in effect. Model Local Rule E-12.

**Limiting When Stroke Made From Putting Green Must Be Replayed Under Exception 2 to Rule 11.1b** — Local Rule as prescribed in the Clarifications to the 2019 Rules of Golf is in effect. Model Local Rule D-7.

**Pace of Play** — See separate memorandum to players for pace of play policy, when applicable.

**Stopping and Resuming Play** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule J-1.

All practice areas are closed during an immediate suspension for a dangerous situation until the Committee has declared them open. Players who practice on closed practice areas will be asked to stop practicing; failure to stop practicing might result in disqualification.

An immediate suspension will be signaled by one prolonged airhorn note. All other types of suspension will be signaled by three consecutive airhorn notes. Resumption of play will be signaled by two short airhorn notes.

**Practice** — Prior to and after a round in stroke play, a player may practice on the designated practice areas. Rule 5.2b covering practice in stroke play is modified in this way: A player may not practice on the competition course before or between rounds. Penalty for breach of Local Rule, see Rule 5.2.

**Prohibiting Use of Motorized Transportation** — Local Rule as prescribed in Section 8 of the Committee Procedures is in effect. Model Local Rule G-6.

**When Competition Is Final** — The competition is final when the trophy has been presented to the winner or, in the absence of a prize ceremony, when all scores have been approved by the Committee.
