USGA PACE OF PLAY POLICY

Summary

When a group is out of position at any check-point the players in the group are subject to penalty under the USGA Pace of Play Policy. Players in a group that has missed one or more check-points will be subject to penalty according to the following schedule of penalties pending final determination of whether a breach or breaches of this policy have occurred:

Check-points will be on completion (flagstick in the hole) of the 9th and 18th holes.

1st missed check-point – subject to one (1) penalty stroke

2nd missed check-point – subject to additional two (2) penalty strokes; total of three (3) penalty strokes for the round

Maximum Allowable Time

Play is in groups of three (3). Each group is allotted 2 hours and 15 minutes to complete holes 1 through 9 and 2 hours and 15 minutes to complete holes 10 through 18, plus a turn time (3 minutes from either side) at a pace in accordance with the time chart below. When a group falls behind – regardless of reason – it must regain its position. Time for ball searches, rulings and walking or shuttle time between holes is included in the allotted time.

Definition of “Out of Position” – Stroke Play

First Group: The first group (off the 1st hole) is out of position if they take more than the allotted time to finish a check-point hole; see below check-point time table.

Following Groups: A following group is out of position if they:

- take more than the allotted time to finish a check-point hole; and
- complete play of a check-point hole more than 14 minutes after the preceding group completed play of that hole.

Time charts outlining the time per hole, including the finish times for the check-point holes are below. Check-points: Play of the hole must be completed in the following amount of time, groups of three (3):

Check Points:	1 st / 2 nd
Hole 1 & 10 Start	2:15 / 4:30 total

Group Out of Position

When a group is out of position at a check-point, they will be notified by a member of the Rules Committee. When a group has been notified of a missed check-point, that group is expected to regain its position before reaching the next check-point. If that group reaches the next check-point out of position, each player in the group may incur the applicable penalty for a breach of this policy. Any group that is out of position may be monitored by a member of the Rules Committee.

A player concerned about a non-responsive (slow) player in their group, who is delaying play, may request a Rules Committee member to monitor the group in case the group is or becomes liable to penalty under these guidelines.

Final Determination Regarding Break and Review Process

Before returning their scorecard, a player who is subject to penalty during their round may consult with the Rules Committee to determine if they have incurred a penalty under this policy. The Rules Committee will determine that a player who has been found to be out of position is not in breach of this policy only if:

- the player was delayed by the Rules Committee; or
- the player was delayed by a circumstance beyond the control of the player or their group; or
- the player was delayed by another player in the group.

A player who was out of position during their round and who elects not to consult with the Rules Committee to determine whether they were in breach of this policy is deemed to be in breach of this policy and incurs a penalty or penalties according to the above schedule of penalties. If a player or group incurs a penalty or penalties, they are applied to the check-point hole(s) where the breach occurred.

Local Rules and Terms of the Competition

FOR 2022 USGA CHAMPIONSHIPS

The Rules of Golf as approved by the United States Golf Association and R&A Rules Limited govern play. These Local Rules and Terms of the Competition are in effect at all USGA championships and qualifying rounds. See applicable championship or qualifying round notice to players and entry application for modifications or additions to these Local Rules and Terms of the Competition. Complete text of the Rules and Local Rules may be found in the Official Guide to the Rules of Golf, effective January 2019.

Unless otherwise noted, the penalty for breach of a Local Rule is the general penalty.

Out of Bounds — Defined by the line between the course-side points of white stakes and fence posts at ground level.

Penalty Areas — When a penalty area is defined on only one side, it extends to infinity. When a penalty area is connected to the out-of-bounds edge, the penalty area extends to and coincides with out of bounds.

Ground Under Repair — Defined by white lines. French drains are ground under repair. For grass-covered trenching, see Temporary Power Lines and Cables.

Ground under repair may include areas of unusual damage, including areas where spectators or other traffic has combined with wet conditions to affect materially the ground surface, but only when so declared by an authorized member of the Committee. When immediately adjacent to an immovable obstruction, such an area is part of that obstruction.

Relief from Seams of Cut Turf — Model Local Rule F-7 as prescribed in Section 8 of the Committee Procedures is in effect.

Immovable Obstructions — Include plastic bumpers on roads and paths, and mats secured to the ground with spikes when the bumpers or mats cover cables.

White-Lined Areas Tying Into Artificially Surfaced Roads and Paths — White-lined areas of ground under repair and the artificially surfaced roads, paths or other identified obstructions that they are connected to are a single abnormal course condition when taking relief under Rule 16.1.

Wood Chips and Mulch — Are loose impediments.

Integral Objects — Include cables, rods, wires and wrappings when closely attached to trees, and artificial walls and pilings when located in penalty areas or in or adjacent to bunkers, and bunker liners.

An exposed bunker liner may be treated as ground under repair, but interference does not exist if the liner interferes only with the player's stance.

Temporary Power Lines and Cables — Model Local Rule F-22 as prescribed in Section 8 of the Committee Procedures is in effect.

Temporary Immovable Obstructions — Model Local Rule F-23 as prescribed in Section 8 of the Committee Procedures is in effect.

List of Conforming Driver Heads — Model Local Rule G-1 as prescribed in Section 8 of the Committee Procedures is in effect.

Groove and Punch Mark Specifications — Model Local Rule G-2 as prescribed in Section 8 of the Committee Procedures is in effect, except as modified by the applicable championship entry application.

List of Conforming Golf Balls — Model Local Rule G-3 as prescribed in Section 8 of the Committee Procedures is in effect.

One Ball Rule — Model Local Rule G-4 as prescribed in Section 8 of the Committee Procedures is in effect.

Broken or Significantly Damaged Club — Model Local Rule G-9 as prescribed in the Clarifications to the 2019 Rules of Golf is in effect.

Back-On-the-Line Relief — Model Local Rule E-12 as prescribed in the Clarifications to the 2019 Rules of Golf is in effect.

Limiting When Stroke Made From Putting Green Must Be Replayed Under Exception 2 to Rule 11.1b — Model Local Rule D-7 as prescribed in the Clarifications to the 2019 Rules of Golf is in effect.

Pace of Play — See separate memorandum to players for pace of play policy, when applicable.

Stopping and Resuming Play — Model Local Rule J-1 as prescribed in Section 8 of the Committee Procedures is in effect.

All practice areas are closed during an immediate suspension for a dangerous situation until the Committee has declared them open. Players who practice on closed practice areas will be asked to stop practicing; failure to stop practicing might result in disqualification.

An immediate suspension will be signaled by one prolonged airhorn note. All other types of suspension will be signaled by three consecutive airhorn notes. Resumption of play will be signaled by two short airhorn notes.

Practice — Prior to and after a round in stroke play, a player may practice on the designated practice areas. Rule 5.2b covering practice in stroke play is modified in this way: A player may not practice on the competition course before or between rounds. Penalty for breach of Local Rule, see Rule 5.2.

Prohibiting Use of Motorized Transportation — Model Local Rule G-6 as prescribed in Section 8 of the Committee Procedures is in effect.

When Competition Is Final — The competition is final when the trophy has been presented to the winner or, in the absence of a prize ceremony, when all scores have been approved by the Committee.
